## Galerie ART CRU Berlin: Robert Fischer

Finissage: June 17 from 6 pm

Galerie ART CRU is exhibiting paintings by Robert Fischer in his first exhibition in Berlin. In 2007, he was awarded the recognition prize at the international art competition Euward.

Fischer combines long rows of letter-like symbols with minimalistic drawings such as crosses or circles that are somewhat reminiscent of faces. These signs and shapes are often organised into groups.

He then adds a second layer on top of the drawings in oil pastels, ink, and fiber paints. See more of his work at [www.art-cru.de](http://www.art-cru.de).
